

COVID-19 ALERT

The health & safety of our patients and community is of utmost importance to us. In order to mitigate the spread of covid-19, Aegis Dental has taken a lot of preventative measures. As per the CDC & American Dental Association guidelines we have postponed all elective procedures. We will be available to those in an emergency with prior screening. Therefore we may not be available completely during our normal business hours. However we are monitoring the messages regularly & we will get back to you. You can also contact us via aegisdentalinfo@gmail.com with your name, date of birth & phone # to reach you. We thank you for your understanding & stay safe.
