

AEGIS NEWS

Last month we celebrated our 10 year anniversary. We have been truly blessed to be a part of this wonderful community and people like you who made this happen. We thank all of you for entrusting your care to us.

Over the years, you have been a part of our family. We cherished every visit and took great delight in seeing you and hearing about you and your family.

This Thanksgiving, we want to thank each and everyone who made last 10 years successful. No words will ever express our gratitude to you and how providing your dental care and knowing you all has meant to us. Thank you!!!
